### DESCRIPTION

---

#### **AC Motor - Reliable, Affordable, and Versatile**

Since they have been around for a while and are affordable, AC, or alternating current, ceiling fans, are a popular option. The convenience you need to conveniently control the temperature of your house is provided by AC ceiling fans, which are also very simple to maintain and can be operated with either a wall control or a remote.

#### **Reversible Blades**

The blades come in white but can be flipped over for an oak-washed look.

#### **Remote Control**

3-speed remote control with timer function included. Please note, that the remote control will make a beep sound.

#### **Integrated Light**

Light kit comes included that uses

an ES globe (sold separately).

**Indoor Rating**

Suitable for indoor use only.

**Recommended Room Size**

For rooms up to 3m x 3m, we recommend a 122cm fan or lower.

**2-Year In-Home + 7-Year Motor Replacement Warranty**

We provide a 2-year in-home warranty and a 7-year motor replacement warranty on all hard-wired Lucci or Fanaway fans. Plus, if you have your fan purchased or installed by a Beacon Lighting Trade member, we'll extend your in-home warranty on the nominated Lucci or Fanaway fan for an extra 1 year, which means you'll enjoy a 3-year in-home warranty.
