

## WHITEHAVEN 142CM DC FAN WITH LIGHT IN BLACK

### DESCRIPTION

---

The Whitehaven Fan with its innovative DC technology has ABS blades, making it perfect for use within the interior of your home, or used under a pergola. Complete with high volume air-movement and silent operation, the Whitehaven Ceiling Fan will make a modern, statement to any home.

Available in white, black and brushed chrome with koa blades, and with or without light.

### **DC Motor - Efficient, Cost Saving, and Quiet**

The most energy-efficient ceiling fans on the market right now are DC or direct current, fans. The key to their improved airflow and low energy consumption is their motor, which also helps you save money on your electricity bill. Since the motor is small and light, DC ceiling fans have sleek designs that fit better in your interiors and cost just one cent an hour to run. Additionally, they are silent in operation, making them ideal for private spaces in your

house like the bedroom. You have a lot of versatility with the speed settings of DC fans, which range from a light breeze to an extremely intense airflow.

### **Remote Control**

6-speed remote control with timer function and natural wind mode included.

### **Integrated Light**

Included is a GX53 globe with 3 step dimmable warm white LED light.

### **Coastal Rating**

Suitable for indoor, alfresco, and coastal areas provided the fan is fully undercover, protected from water, wind, and dust, with a minimum of 1 wall.

### **Recommended Room Size**

For rooms between 3m x 3m and 4m x 4m, we recommend a fan between 122cm and 142cm.

### **2-Year In-Home + 7-Year Motor Replacement Warranty**

We provide a 2-year in-home

warranty and a 7-year motor replacement warranty on all hard-wired Lucci or Fanaway fans. Plus, if you have your fan purchased or installed by a Beacon Lighting Trade member, we'll extend your in-home warranty on the nominated Lucci or Fanaway fan for an extra 1 year, which means you'll enjoy a 3-year in-home warranty.
