No. of Blades	3
Fan Blade Size	Other
Standard Ceiling Drop	13"
Ceiling Pitch (Degrees)	20 degrees
Blade Pitch (Degrees)	26
Warranty	2 years from date of purchase
Blade Colour	White
DESCRIPTION	

Airfusion Climate II 50" DC fan in white with white blades complete with 6 speed remote controller.

New technology DC (direct current) ceiling fan uses approximately 40% less electricity whilst producing the same airflow.

The Climate 2 fan is slightly smaller than the Climate I at 50 inches and has 3 acrylic blades. The acrylic blades are beneficial because warping of the blades is eliminated. The curve in the blades gives the Climate II a modern designer feel and the smaller DC motor size helps to complement the style as well. It comes in the same colours as the Climate I but has a new addition with the modern charcoal colour. The charcoal colour would be suited to homes with darker wood finishes and homes that have an industrial feel with large open spaces.
