

## CAROLINA 182CM FAN IN BLACK

### DESCRIPTION

---

Meet the Carolina, a timeless fan infused with a modern twist, perfectly adaptable for a wide range of homes, whether you prefer contemporary or traditional aesthetics.

Available in white, black and oil-rubbed bronze with koa blades.

### **AC Motor - Reliable, Affordable, and Versatile**

Since they have been around for a while and are affordable, AC, or alternating current, ceiling fans, are a popular option. The convenience you need to conveniently control the temperature of your house is provided by AC ceiling fans, which are also very simple to maintain and can be operated with either a wall control or a remote.

### **Wall Switch**

3-speed wall switch included.

### **Alfresco Rating**

Suitable for indoor and alfresco areas provided the fan is fully undercover, protected from water, wind, dust, and salt, with a minimum of 2 walls.

### Recommended Room Size

For rooms between 4m x 4m or greater, we recommend a fan between 142cm and above.

### 2-Year In-Home + 7-Year Motor Replacement Warranty

We provide a 2-year in-home warranty and a 7-year motor replacement warranty on all hard-wired Lucci or Fanaway fans. Plus, if you have your fan purchased or installed by a Beacon Lighting Trade member, we'll extend your in-home warranty on the nominated Lucci or Fanaway fan for an extra 1 year, which means you'll enjoy a 3-year in-home warranty.
