

## MARINER 127CM FAN WITH LED LIGHT IN WHITE

### DESCRIPTION

---

The Mariner fan range is sophisticated in look and comes with an ABS body and blades, perfect for coastal environments or areas.

Available in white and black, with or without LED light and 127cm or 142cm.

### **AC Motor - Reliable, Affordable, and Versatile**

Since they have been around for a while and are affordable, AC, or alternating current, ceiling fans, are a popular option. The convenience you need to conveniently control the temperature of your house is provided by AC ceiling fans, which are also very simple to maintain and can be operated with either a wall control or a remote.

### **Wall Switch**

3-speed wall switch included.

### **Integrated LED Light**

Included is an in-built bright warm white LED light.

### **Coastal Rating**

Suitable for indoor, alfresco, and coastal areas provided the fan is fully undercover, protected from water, wind, and dust, with a minimum of 1 wall.

### **Recommended Room Size**

For rooms between 3m x 3m and 4m x 4m, we recommend a fan between 122cm and 142cm.

### **2-Year In-Home + 7-Year Motor Replacement Warranty**

We provide a 2-year in-home warranty and a 7-year motor replacement warranty on all hard-wired Lucci or Fanaway fans. Plus, if you have your fan purchased or installed by a Beacon Lighting Trade member, we'll extend your in-home warranty on the nominated Lucci or Fanaway fan for an extra 1 year, which means you'll enjoy a 3-year in-home warranty.
