

## ARIA 132CM FAN AND LED LIGHT WITH REMOTE IN BLACK

### DESCRIPTION

---

The Aria fan range is sophisticated in look and comes with an ABS body and blades, perfect for coastal environments or areas.

NOTE: This fan has a high airflow and may not be suited for smaller rooms.

Available in black or white and with or without light.

### **AC Motor - Reliable, Affordable, and Versatile**

Since they have been around for a while and are affordable, AC, or alternating current, ceiling fans, are a popular option. The convenience you need to conveniently control the temperature of your house is provided by AC ceiling fans, which are also very simple to maintain and can be operated with either a wall control or remote.

### **Remote Control**

3 speed remote control with timer function included. Please note,

when turning off the fan or the light via the remote, the remote control will make a beep sound.

### **Integrated LED Light**

Included is an in-built bright 3 step dimmable warm white LED light.

### **Coastal Rating**

Suitable for indoor, alfresco and coastal areas provided the fan is fully undercover, protected from water, wind, dust and salt, with a minimum of 1 walls.

### **Recommended Room Size**

For rooms between 3m x 3m and 4m x 4m, we recommend a fan between 122cm and 142cm. NOTE: This fan has a high airflow and may not be suited for smaller rooms.

### **2-Year In-Home + 7-Year Motor Replacement Warranty**

We provide a 2-year in-home warranty and a 7-year motor replacement warranty on all hard-wired Lucci or Fanaway fans. Plus, if you have your fan purchased or installed by a Beacon Lighting Trade member, we'll extend your in-home

warranty on the nominated Lucci or Fanaway fan for an extra 1 year, which means you'll enjoy a 3-year in-home warranty.
