

## LUCCI AIR RADAR 52-INCH WHITE DC CEILING FAN

### DESCRIPTION

---

Lucci Air is well known for its great quality, with a heavy focus on technology and product development. The Lucci brand offers the latest on-trend designs, sourced from around the globe, to suit every style of home. The range offers great value with options for every budget. Lucci Air Radar 52" Low Profile Hugger DC fan in white Blades, 6-speed remote control with wall mount included. DC (direct current) ceiling fans use approximately 40% less electricity while producing the same airflow. The Radar is a well-designed fan which is stylish and practical yet offers superior performance and airflow. With a short drop from the ceiling of 7.6 inches, the Radar is perfect Hugger fan for lower height ceilings and is sure to look right at home in any décor. Optional light kit available and sold separately. Optional 6 speed DC wall switch available and sold separately.
