

LUCCI AIR VICEROY OIL RUBBED BRONZE AND DARK KOA 52-INCH CEILING FAN

DESCRIPTION

The Lucci Air Viceroy 52-inch ceiling fan is the perfect addition for a sophisticated urban edge. With the latest technology in DC motors, the Viceroy ceiling fan saves up to 65% less energy than AC motor ceiling fans. The Viceroy ceiling fan is equipped with High-Grade ABS plastic blades for a whisper-quiet performance. The Viceroy ceiling fan is also equipped with a summer and winter mode. In the summer, the downward flow air of this ceiling fan creates a refreshing breeze. In the winter, this ceiling fan with reverse direction spreads the warm air evenly in the room. The Viceroy comes with a standard 6-inch downrod, 6-Speed Remote Control, and a Remote Wall Mount. The Viceroy hanging system supports a 12-degree angled ceiling installation.

SPECIFICATIONS

SKU	212917010
